

Experience a new standard in packaging with our exceptional Co-Poly service, available on two dedicated production lines! Perfectly designed for customers looking to elevate their product presentation, this service is ideal for a variety of applications.

Key Features:

- **Streamlined Polybagging:** Efficiently polybag books without inkjet address windows, eliminating the need for paper labels and enhancing the overall look.
- **Maximize Visibility:** Perfect for packaging multiple advertisements with your books, allowing you to showcase more content and capture attention.
- **Cost-Effective Solutions:** Package multiple books together for a single postage piece rate, saving you time and money on shipping!
- **Simple Approval Process:** "Gimmicks" onserts require physical samples approved by our operations team, ensuring your vision comes to life seamlessly.

Important Considerations:

- **Thickness and Weight Limits:** To maintain quality, polybagged contents must not exceed 1/2" thickness or 1 lb in weight.
- **No Promotional Windows:** Please note that we cannot accommodate promotional windows with this service.

Our Co-Poly service not only enhances the visual appeal of your products but also offers unmatched convenience and flexibility for your packaging needs. With our dedicated production lines, you can trust that your items will be handled with care and precision, ensuring a polished presentation every time. Plus, our experienced team is here to collaborate with you, providing guidance and support to bring your packaging ideas to life. Whether you're looking to showcase new titles, bundle promotional materials, or streamline your shipping process, our Co-Poly service is the perfect choice for making your products stand out.
